24" X 24" COLUMN INSTALLATION INSTRUCTIONS
General Note:
In consideration of freeze / thaw issues during the cold weather season it is recommended that this outdoor column element be protected from rain, snow and ice as necessary.

You will need:
24 - Visage - 16"/14" unit
2 - Tubes exterior grade concrete adhesive
1 - Concrete or stone column cover
Leveling pad material - 4.5 cf
Note: All units are 6"h x 8"d.
Note: See foundation layout details sheet for further foundation information.
