Straight Grill Station
2-Pallet Design
In consideration of freeze/thaw issues during the cold weather season, it is recommended that this outdoor Built-In Grill Station element be protected from rain, snow, and ice as necessary.

Outdoor Grill Station Quantity Totals:
Stonegate Unit quantities as follows:
- Large Unit "A" - 16"/14" = 35 Units
- Medium Unit "B" - 12"/10" = 32 Units
- Small Unit "C" - 6"/4" = 35 Units

For Accessories - see page 2
Stonegate Certified Note:
This Outdoor Living Element design uses Stonegate Certified accessories. See Stonegate Certified accessories list for qualifying manufacturers and models.

Note:
See 6th Course Counter Top Layout Details for counter top and grill filler piece dimensions and details.
Note:
Structural support for block units over openings not shown for visual purposes.

Grill Station Back Rotated Elevation

Grill Station Front Rotated Elevation

Finished Grade (May Vary)

6" (Min.) Crushed Stone or Reinforced Concrete Leveling Pad
1st Course Plan

Block Removal as Req. (Typ.) Replace with Small Unit This Position only (See Ventilation Note)

Ventilation Note:
The grill head insert manufacturer may recommend ventilation of the interior grill station area from a potential gas build up. If so, depending on the recommendations, one or two blocks from either the 1st course or 2nd course may be removed as needed. Only remove blocks from one chosen course. Blocks marked with angular hatching are designated for removal as required on this course.

As needed a small animal screen insert can be supplied to place in the block removal area.

If the 2nd course is to be used for venting, place and carefully compact crushed stone or similar material to form a dense floor in the entire 1st course interior open area of the grill station.

The removed 2nd course blocks may be place in the 1st course interior open area in conjunction with fill material or in the fireplace element itself as needed.

Note:
This Grill Station design uses Keystone Stonegate units. Units shown are dimensioned as follows:
- Large Unit "A" - 16'/14'
- Medium Unit "B" - 12'/10'
- Small unit "C" - 6'/4'
- All Units are 10" in depth / 6" in height
Note:
This Grill Station design uses Keystone Stonegate units. Units shown are dimensioned as follows:
- Large Unit “A” - 16”/14”
- Medium Unit “B” - 12”/10”
- Small unit “C” - 6”/4”
- All Units are 10” in depth / 6” in height

4th Course Plan

Access Door Opening

Keystone Stonegate Units (Typ.)

3rd Course Below

Keystone Stonegate Units (Typ.)

16'' Grill Station

82'' (6'-10'') Grill Station

4th Course Isometric
**5th Course Plan**

- **Access Door Top Support Flange (Both sides), (2), (See Access Door Installation Note)**
- **5" to ½ of Flange (2)**
- **32" Opening**
- **10"**
- **82" (6'-10") Grill Station**

**5th Course Isometric**

- **Keystone Stonegate Units (Typ.)**
- **Access Door (See Note)**
- **4th Course Below**
- **Grill Filler Piece**

**Access Door Installation Note:**
Align the access door in the door opening so that the access door top support flanges of the door frame are resting on top of the 5th course blocks. Make sure the top support flanges are bearing equally on the blocks on both sides of the opening and they also are 5" back from the outside face of the blocks to the center of the flange so the 6th course block pin connecting channels will be centered over the top support flanges. After the 6th course blocks are placed, if needed, reposition the access door assembly and secure in place as instructed.

- **Install Certified Access Door as Required Prior to 6th Course Installation (See Access Door Installation Note)**
- **Install and Secure the Grill Filler Piece, Adjust Blocks and Filler Piece as Needed for Proper Fit (See 6th Course Counter Top Layout Details Sheet) for Size and More Details**
- **Keystone Stonegate Units (Typ.)**
- **4th Course Below**

**Note:**
This Grill Station design uses Keystone Stonegate units. Units shown are dimensioned as follows:
- Large Unit "A" - 16"/14"
- Medium Unit "B" - 12"/10"
- Small unit "C" - 6"/4"

- Large Unit “A” - 16”/14”
- Medium Unit “B” - 12”/10”
- Small unit “C” - 6”/4”

All Units are 10” in depth / 6” in height.
Grill Filler Piece Note:
Filler piece is from 5th course layout below. It is to be made from the same material as the counter top, (1" ± thick). Secure filler piece with approved adhesive or bonding agent.

Counter Top
Installation Note:
Unless otherwise directed install and secure counter top with approved adhesive or bonding agent.
